— Vins Fins de Chablis —

## Chablis

Richness and Minerality, a fruity and well balanced wine :  
Enjoy the typicity of Chablis' Terroir

### Vintage 2016

Chablis was touched by so many climatic events that 2016 will be a memorable vintage. We were mainly touched by the hail on our vineyard.

A better summer helped to harvest in good condition and more important, healthy grapes with a very fine balance. The wines shows very classic aromas of citrus fruits and white flowers.

The ageing potentiel is very interesting because of a good balance richness / acidity.

### Tasting Note

We can immediately feel freshness with great floral flavours

Tasting reveal notes of citrus fruits before white flowers. Pleasant and precise, this wine shows a mineral intensity which offers a beautiful finish.

This wine can be tasted with seafood, grilled fishes, white meat or with cheese from our mountain (beaufort, comté,...).

### Vineyards and Winemaking

We have 13Ha of Chablis, this vineyard is 25 to 30 years old and parcels are located in Lignorelles, Beine and Ligny le Châtel.

The pruning is « guyot double ».

Aging is made 80% in inox tank to keep freshness and minerality and 20% in oak of 4 to 15 years old to bring structure to this wine.

Bottling by ourselves at the Domaine.
