Chablis Grand Cru Bougros

Powerful and Rich, Bougros is a very generous and expressive Grand Cru

Vintage 2016

Chablis was touched by so many climatic events that 2016 will be a memorable vintage. We were mainly touched by the hail on our vineyard.

A better summer helped to harvest in good condition and more important, healthy grapes with a very fine balance. The wines shows very classic aromas of citrus fruits and white flowers.

The ageing potentiel is very interesting because of a good balance richness / acidity.

Tasting Note

Bougros is a very expressive Grand Cru. The situation of the parcel with a great sun exposure explain this concentration. We can find ripe fruit flavors, and a long intensity.

Food Pairings : This Grand Cru will be perfect with meat in "sauce", big sea food, mountain cheese.

Vineyards and Winemaking

Parcels of Grands Cru overlooks the town of Chablis. Bougros is the first Grand Cru at the north. It is facing south / south west

In 2016, 100% of the winemaking and aging was in french oak barrels, 20% of new oak.

Bottling by ourselves at the Domaine
