Chablis Premier Cru Fourchaume

Elegance, Finesse and a never ending finish,
Fourchaume is an iconic Premier Cru

Vintage 2016

Chablis was touched by so many climatic events that 2016 will be a memorable vintage. We were mainly touched by the hail on our vineyard.

A better summer helped to harvest in good condition and more important, healthy grapes with a very fine balance. The wines shows very classic aromas of citrus fruits and white flowers.

The ageing potentiel is very interesting because of a good balance richness / acidity.

Tasting Note

The nose shows a surprising intensity with a rich blend of floral and fruity notes. The wine is straight and mineral with nice aromas of ripe fruits -almost honey- which persist long seconds

This wine will match with seafood, spider crab, grilled fishes and also veal or a « poulet de Bresse »
