Chablis Vauprin

A parcel selection of a south exposed hill named Vauprin :
The Signature of the Estate

Vintage 2016

Chablis was touched by so many climatic events that 2016 will be a memorable vintage. We were mainly touched by the hail on our vineyard.

A better summer helped to harvest in good condition and more important, healthy grapes with a very fine balance. The wines shows very classic aromas of citrus fruits and white flowers.

The ageing potentiel is very interesting because of a good balance richness / acidity.

Tasting Note

This special wine has one goal : the wood has to be subtle and integrated.

Ripe fruits and fine grilled notes for the nose. The Tasting is full, intense and very long.

This is a pure and powerful expression of Chablis !

This wine will match with seafood, Foie Gras, poultry with mushrooms, grilled fishes or creamy cheeses..
