The Signature of the Estate

Vintage 2015

In 2015 we get our seasons back ! Despite a quiet warm winter, we had an ideal Spring season : the flowering was very quick with perfect weather conditions. This high potential was confirmed by a warm and dry summer that make very concentrated and ripe grapes. We start the harvests September 7th with a favorable weather.

2015 Vintage is solar and rich, the wines are very expressive and rich, different than 2014 that was floral and sharp.

Tasting Note

This special wine has one goal : the wood has to be subtle and melted.

Ripe fruits and fine grilled notes are characteristic of the nose. The Tasting is full, intense and very long.

This is a pure and powerful expression of Chablis !

This wine will match with seafood, Foie Gras, poultry with mushrooms, grilled fishes or creamy cheeses..
